

Cryogenic spares

Ordering information

Please order using the Scientific Magnetics part number and description to expedite delivery.

We can accept orders by telephone, fax, or email, providing that we receive a valid purchase order and the full address for both the receipt of goods and for the invoice.

Order forms must be completed clearly. If they are not clearly marked, and result in a duplicate shipment, a restocking charge of 15% can be made when the surplus goods are returned. Similarly goods which are purchased in error may only be returned for Scientific Magnetics credit. The return of goods for credit may also include a restocking charge of 15%.

Pricing

All prices quoted are ex-works in pounds sterling (GBP): we reserve the right to change prices at any time without prior notice. Packing and delivery charges are extra. VAT will be added to the invoice at the current rate as appropriate.

Payment

Payment is due 30 days after the invoice for account customers. Non-account customers should provide payment with orders after first consulting Scientific Magnetics about prices and delivery charges. Cheques should be made payable to Scientific Magnetics.

Claims for damage

Claims for loss, damage or short shipment of products should be notified to Scientific Magnetics within 21 days of shipment.

Minimum order value

Minimum order value is £20.00 (excluding tax packaging and delivery). Any orders below this will be subject to a £5.00 handling charge.

Packaging and delivery

Packaging is included with the order price. Shipping and delivery charges apply.

VAT (Value Added Tax)

In the UK VAT will be added at the standard rate. In the EEC, the customers VAT number will be required at the time of order. If not provided, VAT will be charged at the standard UK rate.

Credit/Debit cards

In Europe, the USA, and Canada we accept Mastercard, Visa, and American Express.
